35 Muller Street North, Buccleuch, Johannesburg, South Africa.

Class Size / Staff

We maintain a small and intimate class size, caring for a maximum of 8 babies at a time. Our dedicated team includes two full-time caregivers who provide constant attention and care for your baby. All our staff are fully first aid and infant care trained.

Our centre is equipped with a kitchen area where we clean and sterilize bottles, prepare milk formula, and warm expressed breast milk. Each baby has a designated section in the fridge for their milk and food storage. Weaning is tailored to your preferences, and we are happy to assist with the process.

Schedules

All babies, especially when young, have their own schedule, and so we let them take the lead. As they grow, we encourage each child to follow a "sleep, eat, play" routine. For awake times, we follow as best we can, the awake times recommended for their developmental age and stage.

Welcome to the BUCCLEUCH MONTESSORI INFANT CENTRE!

Our beautifully curated environment caters to babies from 4 months old to 18 months old, incorporating state-of-the-art materials and activities that are thoughtfully designed to help infants reach their developmental milestones and foster cognitive growth. With a small baby-to-carer ratio, we ensure each child receives personalized attention in a safe and nurturing environment.

Everything in the infant environment is proportionately sized, safe, and aesthetically pleasing, ensuring a comfortable and stimulating space for your baby.

Our Montessori Infant program introduces babies to sensory and motor activities in a prepared setting, encouraging the exploration and development of their emerging minds. The use of specialized Montessori materials supports infants in refining their movements and enhancing their sensory experiences. Through gentle and guided tasks, infants improve their ability to focus and engage independently, laying the foundation for future learning.

18 MONTHS TO 3 YEARS

TODDLERS

The BUCCLEUCH MONTESSORI Toddler class was established in 1999 and caters for children from 18-months to 3-years old. Our qualified and highly experienced staff know exactly how to provide a safe, engaging and nurturing environment for the child. This class supports the physical, cognitive, social and emotional development of each child.

Our Montessori Toddler program introduces children to a variety of hands-on activities in a carefully prepared environment, assisting each child in developing confidence in their emerging abilities. Our Montessori specific materials help the toddler develop his senses and refine his movements.

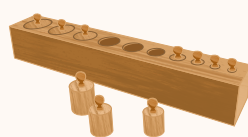

Through exploration and specific tasks, the toddler increases his ability to concentrate and work independently while creating foundations for learning.

Each child receives one-on-one lessons throughout the day to ensure real understanding of each concept taught. In our multi-age classrooms, children learn from each other whilst learning to socialise.

In addition to a variety of dynamic Montessori activities both indoors and outdoors, our toddlers are introduced to art, music and physical education.

Everything in the toddler environment is proportionate to the child's size and is designed to be accessible, safe and aesthetically pleasing for your child.

TODDLER OFFERING

MONTHLY FEE: R5950

AFTERCARE

Aftercare is available daily for Toddlers until 5pm at an additional cost of R1100 per a month.

3 TO 6 YEARS

PRESCHOOL & GRADE 'R'

BUCCLEUCH MONTESSORI Preschool was established 40-years ago and forms the heart of our school. It is through our high standards and excellent results that we have grown steadily through the years. Our highly experienced, qualified and very dedicated staff work one-on-one with your child, respecting each child's uniqueness and ensuring positive progress through the Montessori curriculum.

The BUCCLEUCH MONTESSORI preschool and Grade R classroom is a dynamic, prepared environment conducive to maximizing your child's learning potential. Our children get to choose their work from specific work areas which contain a large variety of materials for the refinement of sensory perception and the development of literacy and mathematical understanding. Our environments offer opportunities for imaginative exploration leading to confident, creative self-expression.

BUCCLEUCH MONTESSORI Preschool environments foster the growth of functional independence, task persistence and self-regulation (neuroscience predictor of future success). We provide our children with an early foundation that includes a positive attitude toward school, inner security and a sense of order, pride in the physical environment, abiding curiosity, a habit of concentration, habits of initiative and persistence, the ability to make decisions, self-discipline, and a sense of responsibility to other members of the class, school, and community.

This foundation will enable them to acquire more specialized knowledge and skills throughout their school career. Music, art, dance and physical education are part of our integrated BUCCLEUCH MONTESSORI Preschool curriculum.

In a nutshell, our children are very self-assured, independent, and absolutely love school.

2027

6 TO 12 YEARS

PRIMARY

Children in this age group are starting to realize that the world is an enormous, interesting place. They are primed to study continents, cultures, scientific concepts, and great literature. We foster an understanding of the child's role in their community, in their culture and in the natural world where they begin to discover the interconnectedness of the universe. The world becomes their classroom.

At BUCCLEUCH MONTESSORI Primary, your child will have the opportunity to learn absolutely amazing things! Our classes are continually filled with joy, excitement and enthusiasm for learning maths, science, language, botany, zoology and geography. Our children are deeply engaged in work that they find interesting, meaningful, and often intriguing.

At BUCCLEUCH MONTESSORI Primary, we integrate art, music, computer studies, robotics and physical education into our curriculum. Our children carry their passion for school into their team sport, music, drama and art participation.
